**THIS ARC-CO AND PLC ELECTION AND CONTRACT** is entered into between the Commodity Credit Corporation (CCC) and the undersigned producers on the farm identified in Item 4. Upon approval, this farm and the producers on the farm are enrolled in ARC-CO and/or PLC for the program year identified above in Item 1. All producers with a share in base acres must sign this contract by the announced enrollment deadline of the applicable program year in order to participate and make themselves potentially eligible to receive payments for the applicable program year.

The terms and conditions of the ARC-CO and PLC contract are contained in the CCC-862 and CCC-866 Appendix and the regulations at 7 CFR Part 1412. By signing this contract producers: (1) acknowledge receipt and agree to abide by the terms of the CCC-862 and CCC-866 Appendix; (2) agree to comply with the terms and conditions of the program and those governing payment limitation and eligibility and adjusted gross income limitation provisions; (3) agree that the terms and benefits of this program are subject to changes in law; and (4) certify that all the information contained on this form, whether or not personally entered by the producer, is true, correct, and accurate. All producers agree to participating or not participating on a covered commodity by covered commodity basis in Item 11.

All producers on the farm must agree to the election made in Item 8. If an ARC or PLC election is not made the election defaults to the election for the farm that was effective under the previous Farm Bill, and no payments will be earned under this contract and farm for 2019. All producers on the farm agree and acknowledge that: (1) this election is irrevocable for the covered commodities and the farm, or any resulting farm(s) of a reconstitution; (Beginning in 2021, owners may change the election on the farm); (2) this farm may not be combined with any other farm that has base acres and does not have the same program election applicable for each and all covered commodities on all farms intended to be combined; (3) even though the producers on the farm may have made an election, producers must still annually enroll the farm and covered commodity in the ARC or PLC program in order to be eligible to receive ARC or PLC benefits for that covered commodity and crop year; (4) they must comply with the regulations at 7 CFR Part 1412; and (5) ARC or PLC benefits are subject to change based upon changes to law. FSA's acceptance of this signed form and use of the form does not equate to FSA's approval of the election. If FSA later determines this election was invalid under 7 CFR Part 1412, the elections indicated on this form are invalid and will not apply to the farm.

**NOTE:** PLC yields in item 10 are only used in the payment calculation of covered commodities that have elected PLC.
